Horizontal Steam Sterilizer PJ
PREMIUM VERSION

The **PREMI UM Version** of PROHS Horizontal Steam Sterilizer PJ brings, **elegance** through its **innovative** and **futuristic** design. This version enhances the **user interaction** with the machine, including, as standard, a SD card with **PC connection software** and a **second touch screen** on the unloading side, taking the equipment interface to the next level.

The interior was also the subject of the utmost attention, the **steam pipes** were upgraded to AISI 316L **stainless steel** while the doors and chamber are delivered with a **finer polishing**, reducing the roughness to 0.8 micron, leadind to a splendorous finish.

This version is always manufactured with partial jacket chamber and a new exclusive frontal design to offer the user a truly **PREMIUM** experience.
